90C per hour per socket based on Windows® Power Management; Add more power to your life; The new AMD® FX Series of CPUs is created to deliver maximum power and performance in the most efficient way possible. It's time to take your system to the next level with these premium AMD processors built for your gaming, computing, and content creation needs. The AMD FX-8350 4-Core Processor with Radeon™ HD 8550E Graphics has the core clock speed up to 3.8GHz, turbo frequency up to 4.7GHz, with a total of 8MB cache. AMD Ryzen™ 5 1600 has a 3.6GHz base clock speed, turbo frequency up to 4.0GHz, with a total of 6MB cache. Innovative AMD Fusion Technology. AMD APU™ Architecture Based on 45nm+ FinFET Process Technology; Ryzen™ 5 and Ryzen™ 3 CPUs with up to 16 cores, delivering exceptional performance on a single chip; Both 2nd and 3rd Gen. Intel® Core™ processors support AVX2; One of the world's first APUs with AMD Radeon™ Graphics and X570 CrossFire™ Ready motherboard; Future of Computing. The new AMD® FX Series is optimized for high-performance computing and content creation applications. The AMD Ryzen™ 7 1800X processor has a 3.6GHz base clock speed, turbo frequency up to 4.2GHz, with a total of 16MB cache. The AMD Ryzen™ 7 1700X Processor has a 3.4GHz base clock speed, turbo frequency up to 4.0GHz, with a total of 16MB cache. The new AMD® FX Series is optimized for high-performance computing and content creation applications. The AMD Ryzen™ 5 1500X processor has a 3.8GHz base clock speed, turbo frequency up to 4.6GHz, with a total of 16MB cache. The AMD Ryzen™ 5 1300X Processor has a 3.6GHz base clock speed, turbo frequency up to 4.4GHz, with a total of 16MB cache. Advanced gaming technologies. AMD Radeon™ and Advanced Visual Computing (AVC) technologies deliver cutting-edge graphics, custom technologies and new game engine features. They include: AMD TrueAudio™ for audio technology that enhances your PC's performance by handling multiple voices at once, and delivers better spatial awareness for crisper, more engaging audio. AMD XConnect™ Technology: Requires a Microsoft® Windows 82157476af
